# Welcome Message

---

Welcome to Tianxing Tech Innovation Co., Pte Ltd. I am thrilled to have you join us today as we navigate the dynamic world of international trade, offering a diverse range of products and services, from frozen meat and agriculture to seafood and electric vehicles. We also take pride in our financial advisory expertise.

At Tianxing Tech, our commitment to innovation and excellence is unwavering, and we look forward to forging lasting partnerships and seizing exciting opportunities together. Thank you for being a part of our journey.

Warm regards,

Mark Liu

CEO, Tianxing Tech Innovation Co., Pte Ltd

A photograph of Mark Liu, CEO of Tianxing Tech Innovation Co., Pte Ltd, standing at a trade show booth. He is wearing a white short-sleeved shirt, a dark tie, and khaki pants. He has a lanyard around his neck with a badge that reads "HWEI-MIN LIU" and "VISITOR". He is giving a thumbs up gesture. The booth behind him has a blue wall with Japanese text and the English text "A Sustainable". There are other people and product displays in the background.

# About Our Company

---

## ■ TTI Co., Pte Ltd: A Legacy of Global Business Expertise

With a rich history spanning over four decades, Tianxing Tech Innovation Co., Pte Ltd has become a name synonymous with excellence in international trade. At the helm of our journey is a visionary leader, our CEO, who boasts over 45 years of invaluable experience in global business practices.

Our CEO's remarkable journey began with a passion for forging connections and navigating the intricate world of international trade. Over the years, this dedication transformed into expertise, leading to profound insights into market dynamics, cultural nuances, and business strategies that transcend borders.

## TTI Co., Pte Ltd: A Legacy of Global Business Expertise

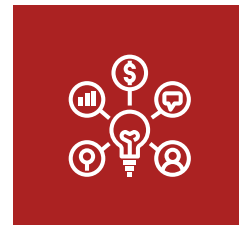

One particular achievement stands out in our CEO's illustrious career: having successfully exported 3M products to destinations around the world for over 14 years. This accomplishment is a testament to our commitment to quality and precision, reflecting our dedication to providing top-notch products to a global clientele.

With a strong foundation built on decades of experience and the CEO's remarkable track record in global trade, Tianxing Tech Innovation Co., Pte Ltd has positioned itself as a trusted name in the industry. We continue to innovate, expand, and excel in various sectors, including frozen meat, agriculture, seafood, electric vehicles, and financial advisory, while upholding the principles that have guided our CEO throughout the years.

At Tianxing Tech, we embrace the future with the same spirit of exploration and excellence that has driven our CEO's success. We are proud to offer the world a piece of our legacy through our commitment to providing the highest quality products and services. Join us as we venture into the future, building on the enduring foundations of experience, trust, and innovation.

# Our Vision

## Our Vision

Global trade leader, offering diverse, sustainable products to enhance customers' well-being and ensuring reliability and excellence in all our endeavors.

## Our Vision

Trusted financial guide, providing personalized advisory services, empowering clients to secure their financial futures, and fostering lasting prosperity.

## About Our Vision

Preferred partner for enduring, trust-based relationships, promoting mutual success and shared growth in a network of thriving partners.

*"Empowering prosperity through trust and excellence."*

# Our Mission

---

To cultivate enduring, trust-based relationships with our partners, fostering mutual success and shared growth through collaboration, integrity, and a commitment to excellence.

## Our Mission

To continually diversify our product portfolio, expand into new markets, and uphold uncompromising quality standards, delivering sustainable, high-quality goods to enrich lives worldwide.

## Our Mission

To provide tailored, forward-thinking financial guidance, assisting clients in securing their financial futures and achieving their goals, while upholding the highest ethical standards.
